

# A VISION LIKE NO OTHER: LUMENA BY OMNIYAT ILLUMINATES ULTRA-LUXURY COMMERCIAL REAL ESTATE

OMNIYAT has launched its boldest commercial vision yet, LUMENA by OMNIYAT. Drawn from Lumen, the Latin word for illumination, and Ena, a Japanese name that whispers of blessings, LUMENA's name glows with quiet power and luminous beauty.

Designed for those who define what's next, LUMENA's sculpted, 260-metre aerodynamic form reflects both architectural mastery and the effortless flow of ideas, ambition, and enterprise.

Its silhouette commands attention – pure, vertical, and powerful. Inside, discover interiors that unfold with modern luxury: intelligently designed spaces, first-of-their-kind amenities, and expansive vistas that place the city and the future at your feet.

From within, unparalleled experiences and visionary workspaces redefine a new dimension of working life. Outside, LUMENA's architectural clarity and radiant form will become an icon in its own right.
